New Year

Happy New Year to you all! We hope you have had a lovely Christmas and a really super holiday?

There's something rather nice about beginning a New Year, isn't there? It's a bit like having a big, blank page of paper in front of us ... we can start again, add whatever we like to it, and in whatever colour or style. The page is fresh and new, just waiting for us to make our mark upon it. But what will our page for 2006 look like?

Adults often talk about making New Year's Resolutions ... when they decide to do something particular in the coming year. Sometimes people set themselves such difficult challenges that they're unable to keep them.

So let's make up our minds this year to do something simple ... let's make a resolution to be the kind of people Jesus wants us to be. Now how would that look on a blank page?

What kind of person does Jesus want you to be? Can you draw a picture or make a list?
